SOUP AND BREAD BOARDS

Our flavorful soups are made from scratch right here in our kitchen, with the best ingredients available. We think you'll find them to be naturally good and creative.

All of our soups come with your choice of locally baked Avenue Breads french baguette, or honey grain roll. Because our bowls are handmade, a small holds approximately 12 ounces, and a large is approximately 16 ounces.

Not sure - Ask for a taste of any of our soups!
